

Hello everyone!

As the novel COVID 19 virus continues its impact throughout the country and the world, we have been making decisions about our crisis response trainings. In an effort to comply with the federal government recommendations regarding limitations on group gatherings greater than 10, we have decided to postpone trainings until the recommendations are lifted. For those that have signed up for trainings in March/April we will be in contact about the rescheduled trainings.

We apologize for any inconvenience that this may cause, but we want to do our part in the nationwide effort to reduce the infection rate. Please join us in praying for quick resolution to this illness and the health of our country and the world.

For up to date information on the virus please use these links:
